Buildings and Grounds Records and Reports of District Loss

Losses incurred through fire, theft, accident, vandalism or malicious mischief will be reported to the business manager as soon as they are discovered. The business manager may report such losses to an appropriate agency as well as to the superintendent and Board.

It is the intent of the Board to seek all legal remedies against persons found to have committed such acts. Full restitution for the damage will be sought from such persons, or, in the case of minors, from their parents.

Students committing such acts will be disciplined up to and including expulsion and referred to law enforcement authorities. Staff committing such acts will be disciplined up to and including dismissal and referred to law enforcement authorities.
