

Greetings Families and Friends,

I am excited and privileged to spend the year getting to know you and your families. What an exciting opportunity this is for me! As the summer season comes to a close, know that I am eager to meet each of you.

Although I am not a new teacher, this is my first year working for the Coquille School District. I am pleased and honored to be teaching in the same district where I graduated from high school.

You will be receiving specific information relating to my classroom procedures and expectations during the first week of school. Please keep your eye out for that. If at any point you have questions, concerns, suggestions about anything, please PLEASE contact me so we can talk. I am here for you and your child.

I am looking forward to working with you to ensure a positive, successful year filled with academic and social growth.

Smiles,

Mrs. May
