

Eagle Eye

September 12, 2017

Library

We will be going to Library on Tuesdays. Students are allowed to check out one book from the library. Please send books back on or before Tuesday to be returned to the Library.

PE

We will have PE on Thursday afternoons. Please make sure your student comes prepared to have some fun in appropriate shoes and clothing.

School to Home Folders

School to Home folders are used as a way to inform you about what is going on at school. The folder is a great way for you to communicate with me and to teach students responsibility. They should be bringing home a page of math work each night. If it is marked homework, please help your student complete the assignment and return it to school. These folders will also be used to send home important notes. Please check your student's folder daily and feel free to use them to communicate with me.

Belongings

Please make sure your student has his/her name in or on their backpack, sweatshirts, and lunch pails. These are the items that are most often left laying around. If they have a name on them, we can return them to their owner. Thanks!

PBS

Positive Behavior Support is a program the school has adopted to promote a safe and encouraging environment for students to learn in. The students follow three rules while on campus: Be safe, Be responsible, and Be respectful. These are also our classroom rules. We have discussed what these three rules look like in many places and situations at school. Ask your first grader about ways to be safe, responsible, and respectful at school.

Birthdays

If you would like to send something for your student's birthday, please let me know ahead of time. If you choose to bring in a snack it has to be something store-bought. If you are having a party outside of school we ask that you do not send invitations in to be given out to students unless you are inviting everyone in the class.

Volunteers

If you would like to come in and volunteer in the classroom, please let me know. I would love to have a volunteer from 10:30-11:30 a.m. to help with stations. Please let me know if you are interested in helping at any time. I will be letting you know about upcoming field trips and volunteer opportunities in advance through the newsletter.
