

# Proficiency Report Card

- 4 Exceeds Standards:** The student consistently demonstrates mastery of the grade level standards. With relative ease, the student grasps, applies and extends processes and skills from the grade level; above grade level standards/expectations.
- 3 Meets Standards:** The student demonstrates understanding of the grade level standards and can apply concepts in a variety of contexts; meeting grade level standards/expectations.
- 2 Progressing:** The student is beginning to, and occasionally does, meet grade level standards. The student is beginning to grasp and apply key processes and skills at their grade level, but produces work that contains errors; is approaching achievement of grade level standards/expectations.
- 1 Needs Support:** The student is not meeting grade level standards and is working one or more years below grade level; limited achievement of the grade level standards/expectations.
- \*Not Applicable:** The standard has not been addressed at this time.

If you have any questions about Proficiency grading or the progress report, please contact Mr. Wetherell. If you have any questions about your specific student's progress, please contact your child's teacher.
