Physical Education

All students are required to participate in the physical education program unless excused by the principals. Such excuses shall be given only upon presentation of a written statement from a licensed medical practitioner that such participation would be inadvisable from a medical standpoint. A medical excuse is valid only for the school year in which it was issued.

A student who is in school but temporarily unable to participate in the activity of the P.E. class shall be required to attend the class even though he/she cannot participate at that time, unless other arrangements are made through the principal.
