May 2019

REMINDER: There is **no school** on Memorial Day, Monday, May 27th.

SCHOOL DRESS CODE: As the weather gets warmer, please remember to have your child dress appropriately for school. Spaghetti strap shirts and tank tops should only be worn if they have a cover-up. Please no sleeveless t-shirts. Shorts, skirts, and dresses need to be at fingertip length when your arms hang down at your sides. No cut-off shorts. Please refer to the student handbook for more dress code information.

2019 PTK COLOR FUN RUN: The Coquille Color Fun Run is on **Saturday, May 18th**. Check-in is at CVE at 10:30 am, run starts at 11 am. This 3K-ish Color Run will include a loop to Lincoln School and will finish back at CVE. As you run, jog, or walk the course, you will be splashed with various colors as you pass by each sponsored color station. The registration fee is \$15 per person or \$50 per family of four or more. A Color Run t-shirt is an additional \$5 per person. You can turn in your registration and payment to CVE.

ATTENDANCE: CVE's attendance has improved compared to last year at this time. Keep up the good work! With the arrival of state testing, it is very important your child does not miss any testing sessions. When a student falls behind the rest of their class on the test, it often causes worry and stress. Remember, every day counts!

EMERGENCY CONTACT: Please remember to keep the office informed of any changes in your contact information. There are several numbers that do not have their mailboxes set up. It is important for us to be able to contact you in the event of an emergency.

NEWS FROM THE LIBRARIAN: The last day for library check-outs for all classes will be during the week of May 20th. Please note that only one book will be allowed for check-outs during that time instead of the usual two books. It is very important that all books are returned before the end of the school year which will be June 6th. If a stray library book from CVE is found at home after June 6th, it can be returned to the public

library. Don't forget to visit the public library and participate in their summer reading program. Thanks for a great school year!

LOST AND FOUND: We have accumulated a large amount of clothing in our cafeteria lost and found area. Please remind your child to check his/her backpack every day before leaving to make sure they have ALL their belongings. Also, please label your child's name inside all of their jackets, outerwear and lunch boxes. We make every attempt to return items to students if a name can be found.

NOTES FROM THE NURSE: The weather has been warm, our students have been working and playing hard and, not surprisingly, we've noticed an increase in body odor. Although all children have a certain amount of body odor, it's especially noticeable in our fifth and sixth graders as their bodies begin the changes associated with puberty. Now is the time to help your child learn and practice good hygiene. Help him/her remember to:

- Shower regularly (Daily for 5th and 6th graders).
- Wash his/her hair frequently.
- Wear clean clothes each day (don't forget to change socks).
- Older children should consider using deodorant.
- And don't forget the most important task of hygiene: **GOOD HANDWASHING.**

Proper hygiene will decrease your child's chances of catching any illness that may be going around and will also help boost their self-esteem as they learn to care for their own body more independently.
