

**Weapons in the Schools\*\***

Students shall not bring, possess, conceal or use a weapon on or at district property, activities under the jurisdiction of the district or interscholastic activities administered by a voluntary organization.

For purposes of this policy, and as defined by state and federal law, “weapon” includes:

1. A “dangerous weapon” means any weapon, device, instrument, material or substance, which under the circumstances in which it is used, attempted to be used or threatened to be used is readily capable of causing death or serious physical injury;
2. A “deadly weapon” means any instrument, article or substance specifically designed for and presently capable of causing death or serious physical injury;
3. A “firearm” means any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive, frame or receiver of any such weapon, any firearm silencer or any destructive device;
4. A “destructive device” means any explosive, incendiary or poison gas component or any combination of parts either designed or intended for use in converting any device into any destructive device or from which a destructive device may be readily assembled. A destructive device does not include any device which is designed primarily or redesigned primarily for use as a signaling, pyrotechnic, line-throwing, safety or similar device.

Weapons may also include, but are not limited to, knives, metal knuckles, straight razors, noxious or irritating gases, poisons, unlawful drugs or other items fashioned with the intent to use, sell, harm, threaten or harass students, staff members, parents and patrons.

Replicas of weapons, fireworks and pocket knives are also prohibited by Board policy. Exceptions to the district’s replicas prohibition may be granted only with prior principal approval for certain curriculum or school-related activities.

Prohibited weapons, replicas of weapons, fireworks and pocket knives are subject to seizure or forfeiture.

In accordance with Oregon law, any employee who has reasonable cause to believe a student or other person has, within the previous 120 days, unlawfully been in possession of a firearm or destructive device as defined by this policy, shall immediately report such violation to an administrator, his/her designee or law enforcement. Employees who report directly to law enforcement shall also immediately inform an administrator.

Administrators shall promptly notify the appropriate law enforcement agency of staff reports received and at any other time there is reasonable cause to believe violations have occurred or that a student has been expelled for bringing, possessing, concealing or using a dangerous or deadly weapon, firearm or destructive device. Parents will be notified of all conduct by their student that violates this policy.

Employees shall promptly report all other conduct prohibited by this policy to an administrator.

Students found to have brought, possessed, concealed or used a firearm in violation of this policy or state law shall be expelled for a period of not less than one year. All other violations of the policy will result in discipline up to and including expulsion and/or referral to law enforcement, as appropriate. The superintendent may, on a case-by-case basis, modify this expulsion requirement. The superintendent may propose alternative programs of instruction or instruction combined with counseling that are age appropriate, and shall provide such information in writing to the student and the parent in accordance with law. Appropriate disciplinary and/or legal action will be taken against students or others who assist in activity prohibited by this policy.

Special education students shall be disciplined in accordance with federal law and Board policy JGDA – Discipline of Students with Disabilities and accompanying administrative regulation.

Weapons under the control of law enforcement personnel are permitted. The superintendent or designee may authorize other persons to possess weapons for courses, programs and activities approved by the district and conducted on district property.

The district will post a notice at any site or premise off district grounds that at the time is being used exclusively for a school program or activity. The notice shall identify the district as the sponsor, the activity as a school function and that the possession of firearms or dangerous weapons in or on the site or premises is prohibited under ORS 166.370.

In accordance with the federal Gun-Free School Zone Act, possession or discharge of a firearm in a school zone is prohibited. A “school zone,” as defined by federal law, means in or on school grounds or within 1,000 feet of school grounds.

“Gun-Free School Zone” signs will be posted in cooperation with city and/or county officials as appropriate. Violations, unless otherwise excepted by law or this policy, shall be reported to the appropriate law enforcement agency.
