

Coquille School District 8

Code: **EB**
Adopted: 06/23/1997
Revised/Readopted: 12/10/2007, 03/11/2020

Safety Program

Safe buildings, grounds and equipment will be maintained in order to prevent accidents or injury to students, employees and other citizens from fire, natural disasters, mechanical and electrical malfunction and other hazards.

Buildings will be planned, constructed, equipped and maintained in accordance with appropriate local, state and federal safety regulations.

Buildings will be provided with alarm systems, fire extinguishers and other safety devices required by state and federal laws and regulations.

The superintendent will develop and implement a safety program which will include, but not be limited to, compliance with and enforcement of all state and federal laws, rules and regulations. Such program will include provisions for the establishment of safety committees to implement the district's safety program. Administrative regulations as necessary may be developed to implement this policy and meet the applicable Oregon Occupational Safety and Health Division requirements.
