Kindergarten Transition Program (KTP)

The Coquille School District runs a Kindergarten Transition Program (KTP) for students that are four-years-old by September 1, of each school year. Children must be potty-trained before entering the program. If a child is not potty-trained they will not remain in the program.

Children in the Kindergarten Transition Program, may not be expelled nor suspended from the program. There may be days when a child needs to be picked up early by a parent as they are not prepared to learn that day, but they will be allowed to return the next school day.

The district will provide transportation for students to and from the program as necessary.

The program is contingent on the district's ability to continue to financially run the program.
