SPORTS - PHYSICALS -

Thursday, August 12, 2021

5:30—7:00 pm

Coquille Jr/Sr High Gym

Dr. Millett and Dr. Keller of North Bend Medical Center will be providing services conducting athletic physicals for Coquille students at a discounted rate of \$40. Southwest Physical Therapy & Rehabilitation has offered their services for many years and will continue that tradition. This will be the only opportunity to get a sports physical at Coquille Jr/Sr. High School for 2021-2022 school year.

OSAA requires a physical every two years in order for an athlete to participate in any practices or contests, including **summer school activities**. Your child cannot practice without a current physical. We hope you take advantage of this service at the discounted rate.

Typically, this means that an athlete needs a sports physical during their 7th grade, freshman and junior years. This date will also allow high school student athletes to complete necessary paperwork to begin Fall practice. Fall practice begins on August 16, 2021

If you are unsure if you need a physical please contact the office at 541-396-2163.

Dan Hampton, High School Athletic Director

Armando Ruiz, Junior High Athletic Director

The Coquille High School Spring grading period has ended. Students must meet OSAA and Coquille School District standards at that time to compete in Fall of 2021
