

Promotion and Retention of Students

The Board is dedicated to total and continuous development of each student enrolled. The professional staff is expected to place students at the grade level best suited to them academically, socially and emotionally.

Students will normally progress annually from grade to grade. Exceptions may be made when, in the judgment of the professional staff, such exceptions are in the best educational interest of the students involved. Exceptions will always be made after prior notification and explanation to the student's parents, but the final decision will rest with school authorities. Prior notification shall be made no later than the end of the second trimester or the end of the third quarter, as applicable.
