6th Grade

English Language Arts

Class Dojo

I encourage families to connect to the Class Dojo app. The messaging feature works like text messaging so communication between myself and parents is easy, fast, and convenient. It is also a great way to stay informed, as I send out weekly messages regarding things like assignments and due dates.

Curriculum

For reading, CVE uses Journeys, by Houghton Mifflin. It is fully aligned with common core state standards and includes spelling, vocabulary, weekly stories, and trade books.

In writing we will focus on narrative, informative, and argumentative essays; following the five paragraph model.

Proficiency Grading:
4=Exceeds Standards
3=Meets Standards
2=Progressing
1=Needs Support
*=Not Applicable

Student Login:

Google Login (District Chromebook access too!)

- Username: firstname.lastname@csd8.info (Ex: Jane.Doe@csd8.info)
- Password: CV_____ (Student I.D. Number)
- **Students will be using Google Classroom throughout the year. I encourage parents to check it weekly.**
- Students, please use my email bbyers@csd8.info anytime you have questions or need help with anything!

Miscellaneous Information

- Students will be taking their backpacks to and from all four classes each day.
- Chromebooks will be checked out from the school during week two (tentatively). It will be important to come to school each morning with the assigned Chromebook and ensure it has charged overnight.
- Bringing a water bottle to school every day is encouraged!

Homework

All homework will be assigned the beginning of the week and due at the end of the week. The majority of homework will come out of the Journeys Reader's Notebooks and consist of spelling pages. These notebooks will be given to students week two of school.
