The district will provide professional development for staff assigned the responsibility for identification of talented and gifted students.

When a student is identified for TAG, the district shall inform parents of the programs and services available to their student and provide an opportunity for parents to provide input to, and discuss TAG instruction proposed for their student. The instruction provided shall be designed to accommodate the

If a parent is dissatisfied with the identification process or placement of their student, they may submit an appeal through Board policy KL - Public Complaints and begin at Step 2 with the superintendent or designee.
